School Education

September 1982–May 1992 Lvov-Vynnyky High School

Academic Education

September 1992–June 1997 Study of Biology, Lvov National University. Specialization Zoology. MSc. thesis on the diversity of mayflies of the Upper Dniester River. Biological Faculty, Department of Zoology, Lvov National University

October 1997–October 2000 State Museum of Natural History, National Academy of Sciences of Ukraine (Lvov), specialization Ecology; 2001 – Can. Sci. (=PhD); PhD thesis: Structural and functional organisation of mayfly taxocenes of Ukrainian Carpathians (Insecta: Ephemeroptera)

Positions Held

State Museum of Natural History, NASU, Lvov, Ukraine

November 2000–December 2000	Technician
January 2001–December 2001	Junior researcher
January 2002–December 2004	Researcher
January 2004–December 2010	Chief Curator [main custodian] of the Museum collections
January 2005–to date	Senior Researcher; Curator of Aquatic Insects

Lvov National University, Lvov, Ukraine

April 2013–December 2014	Lecturer, Department of Zoology
--------------------------	---------------------------------

Main research interests (for detailed research outlook see 4)

Systematics; phylogeny; insect morphology; insect diversity; palaeoentomology; evolutionary ecology; aquatic insects; Mesozoic-Cenozoic insects; ecology and taxocenes dynamics of aquatic insects; biomonitoring and water quality assessment.

Miscellaneous

Professional Activities (for more details see par. 3. Summary of Collection and Teaching Experience)

MSc and PhD Supervisor at State Museum of Natural History and Lvov National University (Ukraine)
Reviewer [opponent, referee]: Bs, MSc, PhD theses (Czech Republic and Ukraine)
Chief Editor of book series [catalogues of SMNH collections] (2005–to date)

Honours and Awards

Prize of the Cabinet Ministries of Ukraine for Young Scientists, Kiev
Honorable Medal of the Cabinet Ministries of Ukraine for Young Scientists, Kiev
Certificates of Honor of the National Academy of Sciences of Ukraine
Travel Award “Riszard Sowa Memorial Scholarship”

Acquired total funding

Alexander von Humboldt Foundation, personal scholarship
Alexander von Humboldt Foundation, equipment grant
Grants of the Ministry of Education and Sciences of Ukraine, personal grant
Travel grants of the Polish and Bulgarian Academy of Sciences, personal grant
Bilateral Ukrainian-Slovak project financed by State Agency of Science and Technologies of Ukraine, lead researcher
Bilateral Czech-Slovak project financed by Ministry of Education, Youth and Sports (Czech Republic), team leader
DFG project with SMNS (German-Czech bilateral cooperation), lead researcher
Grant Agency of Czech Republic, 5-years grant, team leader

Membership In Professional Associations and Societies

Taras Shevchenko Scientific Society, Lvov, Ukraine (since 1997)
Ukrainian Entomological Society, Kiev, Ukraine (since 2000)

Ukrainian Hydroecological Society, Kiev, Ukraine (since 2005)

Research stays (last 5 years; long-term stays only)

Staatliches Museum für Naturkunde Stuttgart; National Museum, Prague; Technical University in Zvolen, Slovakia; Institute of Systematics and Evolution of Animals, PAS, Kraków; Institute of Zoology, BAS, Sofia

Field trips (last 5 years)

Balkans, Carpathians, Caucasus, Austria, Italy, Slovenia, Germany, Iran, Minor Asia

Language skills

Ukrainian (native), English, Czech, Polish, Russian, French

IT / SEM. ESEM skills

Microsoft Office, Adobe Suite, Helicon Pro, Leica Application Suite, AQEM, Elliptic Fourier analysis, Principal Component Analysis, ANOVA / Zeiss EVO, Hitachi, JEOL

Experience in taxonomy and systematics

New taxa descriptions: one order, two families, 4 genera/subgenera, 47 species; lectotypes, paratypes and neotype designations.

Publications (September, 2018)

121 publications, including 80 peer-reviewed papers (35 publications with IF according to WOS/Scopus; h=5), one book (in co-authorship) and 5 book chapters.
